

BlackBerry Curve 8530 Battery Replacement

This guide will inform users on how to repair the battery in the device.

Written By: Cory Davis

INTRODUCTION

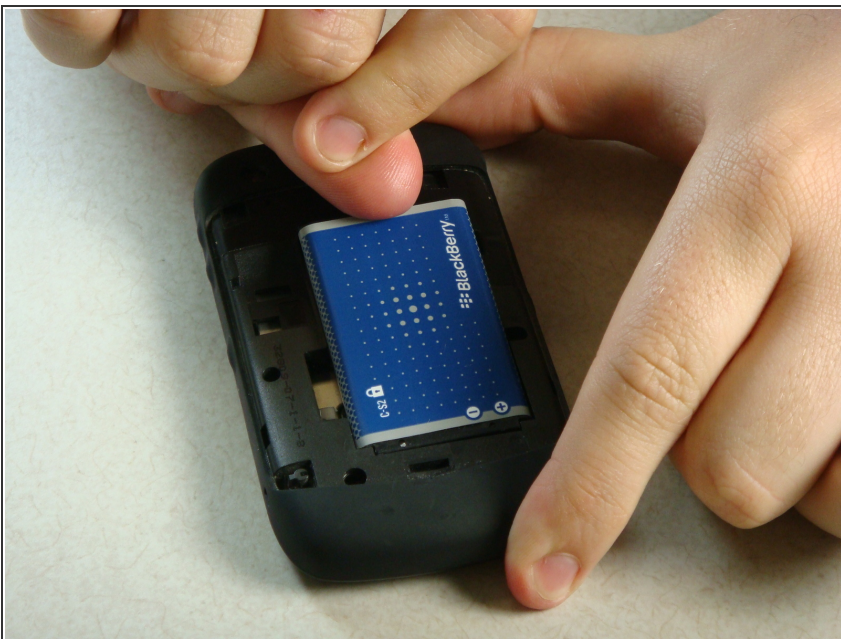

No tools are needed for this guide.

Step 1 — Battery

- Place the phone on a flat surface with the screen facing down.
- Remove the plastic backplate by pulling up on the bottom of the cover.

Step 2

- Remove the battery by pulling up from the top of the battery.

To reassemble your device, follow these instructions in reverse order.
